## BACKGROUND

---

Tonya has a politics & international studies degree, and an MA law degree. She has had previous experience in professional support roles liaising with medical and legal practitioners.

In her spare time, Tonya enjoys watching musicals and taking part in soul cycle spin classes. Tonya has been classically trained in both ballet and musical theatre; hence she enjoys indulging in a song from time to time. During her time at university, she competed in BPP'S Advocacy of the year and progressed to regionals, which was a challenging but thoroughly enjoyable experience.

## EDUCATION

---

BA Politics and International Studies, The University of Warwick

MA Law Conversion, The University of Law
